

Commodore Report Obie Amacker

A couple of late dustings of snow in April will hopefully be our last and make us appreciate the nicer weather anticipated for May. The Club is in great shape financially, the moorage is near capacity, and the demand for moorage remains high.

As a Club there is more to the RYC than a place to store your boat. Rear Commodore Allie McGinnis has developed a full schedule of events which kicked off with Opening Day. She has developed a communication plan and lists events in the Yacht Talk each month. Hopefully you will be able to join in on some of the fun.

With the increased activity around the clubhouse and docks this time of year it seems appropriate to remind everyone of the established rules in place to promote a positive environment for all:

- Garbage coming up from the docks should be taken out to the parking lot dumpsters. The garbage receptacles on the deck are not to be used for waste coming off the docks.
- Please be sure that barbeques are turned off after use.
- Do not prop the dock gates open and leave them unattended.
- Ice is intended for use while boating, on the docks or around the clubhouse. It is not to be loaded up and transported in a vehicle for use off premises.
- The docks between slips (dock fingers) should be kept clear enough to provide safe passage to and from boats and should not be weighted to the point that could create sinking or twisting of the finger. Both situations pose a safety risk and could result in costly repairs to the fingers.

Have fun and safe boating.

Treasurer Report Doug Larsen

The club continues in a strong financial position with projected revenues adequate to meet all the club's planned expenses. We are wrapping up the Moorage billing and the winter quarter electric billing is being processed currently. Thank you to those that have been paying their membership and moorage fees promptly. As a reminder, any billings in excess of 30 days overdue will have an additional charge of \$50. Some of you received a letter with the invoice requesting a copy of your current vessel registration. We cannot renew your moorage until we have this on file. Please contact me if you have any questions.

Spring is upon us and that will translate into work activities around the club. Please make sure you log your hours worked on club projects in the work credit log. It is much easier to keep it up to date while you're helping with party preparations or working around the club. The alternative is trying to remember what day you were down at the club or docks and what you were working on!

Rental Coordinator Sandy Sanders

This is a reminder that our clubhouse is available for rent and is a great facility for events. If you've been a member for at least one year, you are able to rent it exclusively for a small fee. Since we allow just one weekend night rental per month during the boating season the dates fill up fast, so if you're thinking about securing the clubhouse for your event, you should probably get it on the calendar soon. Your rental gives you full access to the kitchen, patio and barbeques.

For more information regarding policies and blackout dates, visit our website, <http://www.richlandyachtclub.net>. Go to "Members" then to "Standing Rules".

If you want to check available dates or have questions about renting, call or text me at 509-948-8832 (Sandy) or email to Rental@richlandyachtclub.net.

Spring has sprung and membership changes are frequent this time of the year. Welcome to Mark & Alana Amer, Scott & Amanda Weeda, JR & Teri Carr, Ron & Lynn Calmus, Mathew Brighton and Tara Hicks; all voted into the club at the April General Membership meeting. We look forward to meeting them at the upcoming Club social events and hopefully on the Docks as moorage becomes available.

Richland Yacht Club

Hello fellow RYC members,

Our new website is now active. The Address for the new website is richlandyachtclub.com

To access the Members Only Area you will Login via button on top right of home page.

Your user name and password initially will be in the following format. **User:** last name with *capital first letter*. **Password:** will be your first name also with *capital first letter*.

The first name password was input by how the first names were listed in the RYC Roster.

95 percent or more of the times the First names are listed with male name first.

If the male name does not work then try the female name as the password.

After you log in you may get a prompt to change your password, do so if you wish.

Another way to change your password is on the login page prior to logging in. click on the Forgot password link at bottom of page and an email with a link to reset password will be sent to the email listed on RYC roster.

For those Members that have the same Last name your user name will be unique. as listed in the RYC roster the first name will be normal last name. The next identical last name will have a unique user name. It will be last name followed by a number. Example if there are three Smiths as members the unique user name would be as follows: Smith, Smith1,Smith2.

Those members that have the same last name I will send an individual email letting you know if you have a unique User name.

If you have any issues or something is not working correctly feel free to send me an email or test message and I will help resolve.

Thanks
