

## Commodore Report Obie Amacker

I would love to say that the boating season is in full swing, but the weather has not been totally conducive to a great deal of time on the water. June will provide the opportunity to attend a couple of annual RYC functions that are truly a sign summer is approaching. The annual Margaritaville Dock Party and Father's Day brunch are a couple of functions to put on the calendar. Rear Commodore Allie McGinnis has been planning a summer full of events. The annual Beach Party which has been a sold-out event for years, will be held in July.

The increased activity around the Club also brings about situations/activities that need to be addressed to hopefully preclude continued occurrences. I am sure I sound like a broken record, but garbage coming up from the docks continues to be deposited in the deck containers rather than being carried out to the dumpsters. Please remember it is your club and we all need to help keep it up. Propping the gates open also continues to be a common occurrence. Security is everyone's responsibility. If you see someone leaving a gate open, say something. We need to curb the practice as it can be a real security issue.

Have fun and safe boating.

## Treasurer Report Doug Larsen

The Richland Yacht Club continues to remain in a strong financial position with revenues adequate to our planned expenses. Electric billings for the remainder of the year are the only scheduled billings left for 2022. Thanks to all those that have paid their invoices on time.

As a reminder, if you are moving make sure we get notified of your new contact information. At least a couple of times each year we find ourselves chasing old expired contact information including e-mail addresses.

I will be in town intermittently between June 18 to mid-September. If you need reimbursements, do not place receipts in my box. Please scan or photo the receipt and a brief description then send it to my email so the club can process the expense.

See you on the water in August and September (in British Columbia).

## Rental Coordinator Sandy Sanders

This is a reminder that our clubhouse is available for rent and is a great facility for events. If you've been a member for at least one year, you are able to rent it exclusively for a small fee. Since we allow just one weekend night rental per month during the boating season the dates fill up fast, so if you're thinking about securing the clubhouse for your event, you should probably get it on the calendar soon. Your rental gives you full access to the kitchen, patio and barbeques.

For more information regarding policies and blackout dates, visit our website, <http://www.richlandyachtclub.net>. Go to "Members" then to "Standing Rules".

If you want to check available dates or have questions about renting, call or text me at 509-948-8832 (Sandy) or email to [Rental@richlandyachtclub.net](mailto:Rental@richlandyachtclub.net).

## Vice Commodore Bruce Carlisle

A big shout out to those who participated in our May work party. Hope Johnson, Jan Jensen, Janice, Tom and Bradley Beck, and Allen & Cheryl Olberding helped clean all the clubhouse windows, ice machine and the patio BBQ area. Lee Celski, Cleve Mooers, and Wayne Penttila replaced all the dock flags. If I missed anyone, I am sorry, we really appreciated all the helping hands which made for a busy afternoon. Thank all of you for your contribution to our club. Unfortunately the efforts to clean and restore the club's BBQs discovered extensive rust and damage that truly indicates end of life on the units we have. Good news is replacements are available and on their way. In the interim gas is secured until the new units arrive as they are no longer safe to use. Plan your patio dining around kitchen equipment.

Don & Jan Harlow are resigning from the Club in good standing and Li & Leanne Stephens are returning. Both memberships will be addressed in our June General Membership Meeting.

## Past Commodore Gary Scofield

For those new members needing Class C Training to apply for a fuel card from CoEnergy and to be legally authorized to use the Club fuel dock, please contact me for the 30 minute training session. Call or text my cell phone-509-947-5707 or email me at [gscofield08@gmail.com](mailto:gscofield08@gmail.com). If you apply with CoEnergy for an account, please know that everyone named on the account must have completed the Class C Training even if they might never fuel your boat using our gas dock.

I will be conducting a Class C Training Class starting at 6:15 pm, just prior to our June 7th General Membership Meeting, which starts at 7:00 pm. Again, please contact me if you are planning to attend this training session which will start at our clubhouse.
