

Commodore Report Obie Amacker

Summer seems to have finally arrived with the boating weather we have been waiting for. The warmer weather makes spending time on the water a great place to be. July also means it is time for the annual Beach Party. Deb and Bruce Carlisle do an excellent job hosting this event which is always a sell out, so get your tickets early and join the fun.

It seems like there is always a push to have current boat registrations on file, but with current State requirements they were required to be current at the time of moorage payment in April. We should all be current right now. With renewal of tabs just occurring, it is a good time to go ahead and send your new registration to the Club so that it may be filed and negate the need to provide a copy with your moorage payment in 2023.

Please remember to keep the gates to the docks closed, truck garbage out to the dumpsters, and think of your fellow members with respect to the facilities.

Have fun and safe boating.

Treasurer Report Doug Larsen

The club remains in a strong financial position with projected revenues adequate to meet all our planned expenses. All slips have been paid for the year so the only remaining planned billings will be for electricity. Thank you to the membership for your timely payments. I expect to be processing and then sending out electric bills for the spring quarter in July. Only those that are using electricity should expect to see a bill.

I will be out of town boating during much of July and August. If you have expenses that need to be taken care of, please contact me via E-mail or my cell phone as I will be monitoring both and we can figure out how to address the expense. Please do not place receipts, invoices, or any other correspondence in my box. I will resume monitoring my box when we return.

See you on the water,

Doug Larsen – somewhere on the Danube River

Rental Coordinator Sandy Sanders

RYC members are entitled to one exclusive rental per year which includes use of the kitchen, patio and barbeques. For information on renting the clubhouse, including rules and blackout dates log on to the RYC website, Member Area, click on Standing Rules and Clubhouse Rental Rules (pages 7-9).

If you're interested in booking the clubhouse or for more information, call or text me (Sandy) at 509-948-8832 or email rental@richlandyachtclub.net.

The General Membership accepted the resignation of Don & Jan Harlow at the June meeting. The waiting list for moorages remains quite long with new membership requests continuing to arrive. We have club Burgees in stock now; new members should contact me, and I will arrange for you to pick one up. For existing members with worn out Burgees, they are available for \$25.

This is deck weather! Friday evenings are a gathering time for meet, greet and BBQ. The new BBQs are installed on the patio. The handle to the rotisserie burner is removed so you don't accidentally turn on and burn items on the warming rack. Extra cooking tools are in the drawers next to the refrigerator in the kitchen. As a reminder, please wipe down the hood before use so you don't bake on the Tri-city grime. Also please clean any residuals on the grill grate using the provided brushes. To top it off both dishwashers are available again.

Past Commodore Gary Scofield

For those new members needing Class C Training to apply for a fuel card from CoEnergy and to be legally authorized to use the Club fuel dock, please contact me for the 30 minute training session. Call or text my cell phone-509-947-5707 or email me at gscfield08@gmail.com. If you apply with CoEnergy for an account, please know that everyone named on the account must have completed the Class C Training even if they might never fuel your boat using our gas dock.

I will be conducting a Class C Training Class starting at 6:15 pm, just prior to our July 5th General Membership Meeting, which starts at 7:00 pm. Again, please contact me if you are planning to attend this training session which will start at our clubhouse.
