

Commodore Report Obie Amacker

Summer seems to have been flying by and it definitely warmed up after a slow start. The level of activity around the Club has picked up which is great to see. Along with the activity, we had the opportunity to bestow the coveted Floundered Oar Award (most humorous non-injury boating incident) to Bob Gray at the last General Membership meeting. If you have a candidate in mind, feel free to share the details with at the next meeting.

The Nomination Committee will be providing a list of candidates for the upcoming election and nominations will be taken from the floor at the September General Membership meeting. If we have at least one candidate for each position nominations will be closed. If we do not have a candidate for each position, nominations will be accepted prior to the election that will be held during the October 4 meeting.

Have fun and safe boating.

Treasurer Doug Larsen

The club continues to be in a strong financial position with funds adequate to meet our planned expenses. The summer quarter electrical billing will go out mid October and I'm not expecting much electrical usage unless the members boat has an AC.

We have had some unexpected expenses. Some scoundrels spray painted our sign out on the street along with other Moorings properties and we are working with the moorings to pay the sub-contractor for painting. No other issues on the horizon currently.

Connor Cox was accepted as a Junior member at the August Executive Board meeting. We look forward to meeting them at the upcoming Club social events and hopefully on the Docks as moorage becomes available. We have several members applying in September.
