

## Commodore Report Obie Amacker

Our beautiful fall weather has taken the inevitable turn and it appears we will indeed be transitioning into winter weather. As the cold weather approaches you should be winterizing your boats now to avoid surprises in the spring. Every year it seems someone has experienced a winter related issue that could have been prevented with proper preparation.

I would again like to thank all the Executive Board members that dedicated their time to make 2022 another highly successful and fun year for the Club. I would also like to thank the newly elected Board members for volunteering to serve during 2023.

The membership remained strong, moorage has been full and continues to be in high demand, and the Club is in a positive financial position. Congratulations to Bruce Carlisle, our newly elected Commodore. I look forward to serving with Bruce and the new Board as the Past Commodore. I know it will be another positive year for the Richland Yacht Club.

## Treasurer Doug Larsen

First let me say that I have enjoyed being the Treasurer for the last two years. As of November your new Treasurer will be long time member, Kathy Higgins. Please help me welcome her to the new role of which I'm sure she will be successful.

The club continues to be in a strong financial position with adequate funds available to cover upcoming planned expenses. As the year is winding down this fall Kathy will be assembling next years budget and annual dues billing for 2023. So expect the annual dues billing of \$600 to land in your mail first part of December. These are due January first. Also, if there are some improvements or projects that you think the club should consider, now is the time to get them in the budget for 2023. Kathy will be assembling the budget this fall.

That's about it for me as Treasurer this time around. I will see you out on the water or down on the docks.

Doug Larsen

## Rental Coordinator Sandy Sanders

In November my term as Rental Coordinator comes to an end, so this will be my final article. What I've enjoyed the most about serving in this capacity are the new friends we (Dan & I) have made over the past few years. Board members have become good friends as we serve together. Each rental brings a new relationship, and all that makes our membership in the yacht club even more fun. I would encourage you to get involved in the activities, sign up to help at events, take part on work days and get to know the members of this club.

One of the benefits of membership is that you can rent the clubhouse exclusively, this includes the kitchen & patio. Our clubhouse is such a great venue for birthday parties, retirement parties, wedding receptions, etc. For more information log onto the website. You'll find the rules for rentals including block-out dates. To see if your date is available, call or text Allie McGinnis at (509) 302-0545 or email her; [Rental@richlandyachtclub.net](mailto:Rental@richlandyachtclub.net). My best to you Allie, have fun!!

## Dock Captain Bryan Bobbett

Water on the docks and the ice machines will be winterized by the end of November. Just a friendly reminder that docks and ramps can become slick in the winter weather. We are next on the list to receive new dock boxes, hopefully by the end of November.
