

Commodore Report Obie Amacker

Fall is on the way and it is election time at the RYC. As I finish my term as Commodore, I would like to thank those that served on the Board this past year. I greatly appreciated their commitment to the operation and continued viability of your Club and enjoyed working with each of them.

Brent Shindehite and the nomination committee were able to identify a slate of viable candidates willing to serve the Club next year and I would also like to applaud each candidate willing to serve. The RYC is much more than a “marina” and the operations and stewardship of the assets does not just happen. It is rewarding to see relatively new members volunteer and I encourage more members to get involved in the future.

Rear Commodore Ally McGinnis has done a great job promoting and coordinating social events this past year and she has a couple of events planned as the boating season winds down. Details are provided in this Yacht Talk. If your boating is done there are still some fun things happening at the Club.

If you move, change emails, or phone numbers please remember to notify the Treasurer so the RYC will have current information. It is very helpful for any emergency situations, general club communications, and is critical for billing/invoicing.

It has been an honor to serve as your Commodore and I look forward to seeing you around the Club in the future.

Treasurer Doug Larsen

First let me say that I have enjoyed being the Treasurer for the last two years, but it's time for someone else to take over the club's financial responsibilities. I'm sure that the club will continue on a strong financial track in the upcoming year.

The club continues to be in a strong financial position with adequate funds available to cover upcoming planned expenses. As the year is winding down this fall, we will be assembling next year's budget and annual dues billing for 2023. Please ensure you have recorded any work hours in the work hour logbook by October 31. Hours recorded after October will be credited to the 2024 billing. The logbook should be in the left drawer next to wall and stove in the kitchen. If you have questions about how many hours you have logged, please contact me and I can look this information up in our system. We track this on a weekly basis.

We will be sending out the summer electric bills in mid October so if your vessel used a lot of electricity over the summer, you should expect to see a bill.

Rental Coordinator Sandy Sanders

It looks like fall is fast approaching but there are still available dates through the end of the year if you are thinking about renting the clubhouse for an upcoming event. For more information, including blackout dates, etc., log on to our website then go to; Member Area, Standing Rules,

Pages 7-10 *Clubhouse Rental Rules*. If you want to check on a date for your event, call me at 509-948-8832 or email: rental@richlandyachtclub.net.
