

**Commodore Report** Bruce Carlisle

We had a very successful Beach Party at the Clubhouse with a sold-out crowd of 200 members and guests. Though the deck was a tad hot, the misters did their job, and everyone was blessed with a beautiful sunset and dancing into the night.

The Board approved terminating our cleaning contract and the new contractor is off to a great start. Restrooms are clean, and the overall appearance of the clubhouse is vastly improved. Clubhouse cleaning is now on Friday mornings.

Please remember to take any boat trash to the dumpsters in the parking lot. The trash containers on the patio and in the Clubhouse are only emptied weekly and quickly become overloaded if used for boat trash. Also, we frequently lose an ice scoop because it is left in the ice bin and becomes covered in a layer of new ice. Please place it on top of the ice bin when not in use.

We have a new candidate for Rear Commodore. Nick and Odeta Qafoku have been members for many years and Nick volunteered to take the reins and help us organize our club events. We will vote him in at the August general membership meeting. Just a reminder, the general membership meetings are the first Tuesday of the month at 7:00 pm. See you there!

**Vice Commodore Report** Lee Celski

There was no meeting in July so no actions were taken the Month of July. I have conducted a few orientations so far in and have a few more to do before the next general membership meeting in August. There should be about 5 new memberships to vote on then.

There will also be one member resigning in good standing for us to vote on as well.
