

Commodore Report Bryan Bobbett

I'd like to take a moment to thank our Executive Board for all their hard work and accomplishments this year. As of today, our fuel tank is fully operational and stocked with non-ethanol gasoline. Please note that water on our docks will be turned off in mid-November, so if you need water for any purpose, be sure to use it soon. Looking forward to seeing everyone at the November General Membership Meeting on Tuesday, November 5th, at 7:00 PM.

Vice Commodore Report Allie McGinnis

Happy fall and congratulations to those who have stepped up to serve on the Richland Yacht Club executive board for 2025. It is my honor to continue to serve as Vice Commodore for 2025. Thank you to every volunteer. Whether you have stepped up to help with the parties, the work parties, the executive board or any form. It takes all of us to make our club a fun engaging place to be. Lots of fun still ahead for the remainder of the year with several upcoming RYC parties to attend. Don't miss the attached flyers. If you have any questions about membership, or are not sure who to ask, related to Richland Yacht Club please reach out to me directly at 509-302-0545. Happy Fall and I am looking forward to seeing everyone throughout the rest of 2024.

Building Coordinator Bob Gray

Winter is approaching and inside use of the Clubhouse will increase. If you use the Clubhouse, it's your responsibility to clean up and leave it as you found it. That means cleaning up around the tables, your dishes and taking out the garbage. Also, the new Executive Board will be preparing the 2025 budget over the next few months. If you see anything that needs fixing or you think would make an improvement to the facility, let me know so we can budget for it. Enjoy the upcoming holiday season.
