

Commodore Report Bryan Bobbett

As we step into 2025, we'd like to remind all members to settle any outstanding balances on their accounts. Please note that any Yacht Club balances overdue by 90 days will be reviewed during the upcoming General Member Meeting on **Tuesday, January 7th, 2025**. This meeting represents the final opportunity to clear overdue balances before a vote is held regarding membership status. In other news, during our December Executive Board Meeting, a motion was passed to hire an electrician to assess and ensure full power output at the dock pedestals. Slip owners selected for this service will be notified directly. If you would like to be added to the list for electrical inspection, feel free to text me at **509-531-5658**. Looking ahead, we are excited for the upcoming **Sportsman Show**. If you are interested in volunteering alongside Doug Larson, please let us know – your time and dedication are greatly appreciated. Lastly, as part of our January General Meeting, we will be serving **pizza and drinks**. We encourage members to arrive early to help with the removal of Christmas decorations. Your participation helps keep our club running smoothly and looking its best. Thank you for your continued support and involvement. We look forward to seeing you in the new year!

Vice Commodore Report Allie McGinnis

Happy New Year Richland Yacht Club Members! **IMPORTANT:** Tuesday, January 7th is our first General Meeting of 2025! Looking forward to another fun filled exciting year of friendship, family time, boat- ing adventures and RYC parties. We have several new members who have completed their orientations and need your vote to join our club. Please come out, enjoy some pizza, spend a few moments packing up some Christmas decorations and welcome our new members. We also have a list of members who are moving on and need your vote to exit. We need your votes to make this happen and appreciate your participation. Thank you to every volunteer who steps up to help with the parties; none of this would happen without you. If you have any questions about membership please reach out to me directly at 509-302-0545.

Building Coordinator Bob Gray

Reminder: if you use the Clubhouse, it's your responsibility to clean up and leave it as you found it. This means cleaning up around the tables, picking up and washing your dishes and taking out the garbage. If you move something, put it back where you found it when you're done. If you're using the Clubhouse with 25 or less, that means 25 or less, not 26 or 27. Please do not take tables down and lean them against the wall. This can result in scratching and chipping of the paint. We had this happen this past month and are now repairing the damage. Treat the Clubhouse as you would your home. Ending on a positive note: I hope you all have a Happy New Year, and we'll see you in 2025.
