

Commodore Report Bryan Bobbett

Join us for the Yacht Club Rewind Party on Saturday, July 19th, where we're thrilled to have everyone there for some fun-filled summer activities! As a friendly reminder, while operating the work boat, it must always have a designated captain present. Please adhere to all safety protocols.

For electrical safety, ensure you use marine-grade, sealed shore power cords with GFCI protection. These cords must be UL or CE listed, in good condition, and securely attached. Any non-compliant cords will be disconnected.

All vessels must comply with the registration and insurance regulations. Please provide the current registration at the time of moorage assignment, renewal, or within 30 days of any vessel changes. Additionally, the insurance policy must include \$300,000 in coverage and list Richland Yacht Club as "Additional Insured."

Lastly, we want to express our sincere gratitude to Bob Gray for the recent updates to all the toilets in the club. Your efforts are greatly appreciated!

Vice Commodore Allie McGinnis

Happy 4th of July to all Richland Yacht Club members! Congratulations to our two new members who were voted into the Richland Yacht Club at our June 2025 general meeting! We appreciate your continued enthusiastic participation during our monthly general meetings and bringing the votes needed to keep required club activities moving forward. We continue to receive requests to join the Richland Yacht Club with the understanding that our moorage wait list is long and slip availability limited to members only. We have a few member applications in que who will be introduced for vote at our July 1st meeting. We are looking forward to the many upcoming RYC parties in 2025. Happy boating everyone! If you have any membership questions please reach out to me at 509-302-0545.

Five replacement pressure toilets have been installed in the Men's and Women's bathrooms. With the one previously installed in the Women's bathroom, our toilets are all brand new. The annual fire extinguisher (clubhouse and docks) inspection was completed on June 10. Kitchen supplies (trash bags, dish soap, ect.) have been purchased and are in the Clubhouse ready for use. I am aware that some of the lights in the Clubhouse eaves are burned out. Replacements have been ordered and will be installed when received.
