

Commodore Report Allie McGinnis

Happy New Year Richland Yacht Club members! 2026 promises to be another exciting year full of boating adventures, fun parties and wonderful friendship. Thank you to our many member volunteers for attending our monthly General Meetings on the first Tuesday of every month as your votes are needed to approve new members as well as resigning members. Your volunteer help during the set up and clean up efforts before and after our club parties keeps our dues low and the good times happening. We have an expanded list of parties on deck for 2026. See the list attached. To explore volunteer opportunities contact our Rear Commodore, Rick Eder. For any members considering resigning your membership, please note that the process requires a written notification to our Vice Commodore, Nik Qafoku at membership@richlandyachtclub.com, return your access devices, clear up your slip and pay any outstanding bills. A General Meeting vote by our members to resign in good standing is the final step in the process. We appreciate all of our members who have been patiently waiting for a slip assignment. The updated list is on our website. Thank you for being a valued part of the Richland Yacht Club. We are looking forward to another successful year.

Volunteers Needed for January NW Sportsman's Show
From **Doug Larsen**, Well I got talked into manning a booth at the Sportsman's Show again this year. We are looking for several Richland Yacht Club volunteers to help staff a booth at the NW Sportsman's Show at the HAPO Center (formally TRAC) January 23, 24, & 25, 2026 representing the Recreational Boating Association of Washington (RBAW). The perk is that if a person talks boating and solicits membership in RBAW for a couple of hours they get free access to the show. I will have a script with some information and a QR code to guide the volunteers. The Clovers have committed to helping and we are hoping to get some RYC volunteers. This should be fun and candy provided.
Those interested in volunteering should contact Doug Larsen at 509-438-1904.
