

Commodore Report Bryan Bobbett

Warm weather is here, and the marina will soon be filling up with boats!
To help keep the area safe and organized, please remember the following:

- Store all personal items in your dock box or vehicle — not on the docks.
- Keep water toys and gear stored inside your boat to avoid creating opportunities for theft.
- We’re still working on getting the dock ice machine fully operational — thank you for your patience!

Lastly, don’t miss our upcoming General Membership Meeting where we’ll announce this year’s recipient of the Flounder Oar Award. We hope to see you there!

Vice Commodore Allie McGinnis

Boating season has arrived and the river is busy! Congratulations to our six new members who were voted into the Richland Yacht Club at our May 2025 general meeting! We appreciate our members' continued enthusiastic participation in our monthly general meetings and bringing the votes needed each month to keep required club activities moving forward. We continue to receive requests to join the Richland Yacht Club with the understanding that our moorage wait list is long and slip availability limited to members only. We have several new member applications in que who will be introduced for vote at our June 3rd meeting. Happy boating everyone! If you have any membership questions please reach out to me at 509-302-0545.
