

Commodore Report Allie McGinnis

Happy 250th Birthday to the USA! July is here and summer at RYC is on deck. Enjoy!

A few reminders for all:

- . Take all trash from boating to the dumpsters located in the front of the parking lot.
- . Trailers and RV's are not permitted to stay in our parking lot.
- . Fuel Dock training is available after every General Meeting. First Tuesday of each month at 6pm.

Thank you to our Rear Commodore, Rick Eder, for leading our Father's Day celebration and to all of the volunteers who helped set up, cook and clean up. It was a great success. Our next party is the biggest summer party of the year and the one you will not want to miss. Thank you to our members for attending our monthly General Meetings (6pm) on the first Tuesday of every month. Your votes are needed, appreciated and required to approve new members, resigning members and approval of last month's minutes

Rental Coordinator Doreen Bughi

I occasionally have issues with webpage loading. It is our server side issues and I work as quickly as possible to get our website back up. If you see it not coming up please send me a text message. I have sent out an email to all how to login to the members area. Passwords can no longer be a simple one like your first name. The minimum requirements are listed when you generate a new password. I get an email when you have successfully changed your email. I see a few of you have been successful in creating your own password. If you still are having issues, contact me via email or text message and I will help.

Past Commodore Bryan Bobbett

After our General Membership Meeting, we'll be offering Fuel Training for any members interested in getting fuel access on the docks. If you'd like to get set up, stick around after the meeting and we'll get you taken care of.

Also, don't forget the club pressure washer located next to the ice machine on the dock is available for member use to help keep our boats and docks looking great for the season. Please remember to use only aquatic-safe detergents and avoid washing oil, fuel, or other contaminants into the basin. A little extra care goes a long way in helping keep our marina clean and enjoyable for everyone.

Looking forward to seeing everyone at the meeting and out on the water!

The background of the poster is a vibrant beach scene. At the top, a bright sun with rays is visible in a blue sky. Two seagulls are in flight, one on the left and one on the right. Below the sky is a body of water with a white sailboat on the left and white-capped waves crashing on the right. The bottom half of the poster is a sandy beach. In the bottom left corner, there is a colorful beach ball with segments of red, yellow, blue, and white, and a large, reddish-brown seashell. In the bottom right corner, a pair of purple sunglasses with dark lenses is lying on the sand.
