

Commodore Report Allie McGinnis

Happy summer 2026! The weather is warm, the refreshments are cold and the Columbia River is calling! Whether you love to float, fish, tube, ski or just hang out in the marina on your boat your wait is over. Time to enjoy friendship, RYC Clubhouse parties and fun on the water!

The Dock Captain, Ed Caraway and I, walked the docks and checked on each slip and boat condition so we can start the summer in style. Please check on your boats and slips. Overall we are in good shape. Check your lines to make sure your boat is secure and not hitting the docks or your dock box. If you have a damaged dock box make arrangements to repair or remove it.

Reminder: Immediately following our General Meeting, Past Commodore, Bryan Bobbett is hosting fuel training on the first Tuesday of each month.

Huge appreciation to Mike Dotson for stepping up and leading our Mother's Day celebration and to all of the volunteers who helped set up, cook and clean up. It was a great success. Our next party is Father's Day. Contact Rick Eder to help with this fun event.

Thank you to our members for attending our monthly General Meetings (6pm) on the first Tuesday of every month. Your votes are needed, appreciated and required to approve new members, resigning members and approval of last month's minutes.

Rental Coordinator Doreen Bughi

Clubhouse Rental fee for 2026 will be \$350 rental fee,& \$150 Cleaning deposit. Reservations are required for events larger than 25 people. For more info regarding policies visit our websites members area bylaws. Text your requested date, member name to Doreen Bughi at 509-386-3016 to receive the paperwork and process. You must be a member for at least one year to be eligible to rent the clubhouse . Fill out a completed application, you need orientation training (15-20 minutes) and written board approval required.

Dock Captain Ed Carraway

Good day from the Dock Captain. Boating season is here so please check your safety equipment. That includes your anchor rope! Remember your anchor needs to have a swivel attached to it. Please remember to check your dock cleats and make sure they're tight. Pontoon boats please make sure that your boat is not gouging the dock. Adequate spring lines and mooring lines are essential.

The dock ice machine is in full swing and ready for you to enjoy. If you have any questions feel free to give me a call. Your Dock Captain

Corresponding Secretary Rick Anderson

Good news, our Richland Yacht Club Website has been re-stored. richlandyachtclub.com I have sent out an email to all how to login to the members area. Passwords can no longer be a simple one like your first name. The minimum requirements are listed when you generate a new password. I will include the instructions again in this months email. I get an email when you have successfully changed your email. I see a few of you have been successful in creating your own password. If you still are having issues, contact me via email or text message and I will help. ragolfer@charter.net, 509-438-1354

Past Commodore Bryan Bobbett

After our General Membership Meeting, we'll be offering Fuel Training for any members interested in getting fuel access on the docks. If you'd like to get set up, stick around after the meeting and we'll get you taken care of.

Also, don't forget the club pressure washer located next to the ice machine on the dock is available for member use to help keep our boats and docks looking great for the season. Please remember to use only aquatic-safe detergents and avoid washing oil, fuel, or other contaminants into the basin. A little extra care goes a long way in helping keep our marina clean and enjoyable for everyone.

Looking forward to seeing everyone at the meeting and out on the water!

Building Coordinator Andy Cockrell

I am procuring an AED and first aid kit to be installed by the fire extinguisher located at the east exit. Expected installation is mid June.
