

Commodore Report Allie McGinnis

Richland Yacht Club members have enjoyed another wonderful boating season. As we wrap up, tow out, winter prep and say farewell to one more year on the water we all look forward to a few more parties and some of the best memories of the year. Serving on the Richland Yacht Club Executive Board for six years has been a meaningful and enjoyable experience. The greatest reward has been getting to know so many of you and seeing firsthand how our members make this club welcoming, active, and special.

Dock Captain Ed Carraway

As temperatures cool down the heaters come on please take time to check temperature settings. Plug up your vents, so your heaters will work properly. Check your power cords for fretting that may have caused oxidation discoloration. We need to clean and inspect and lubricate our plug-ins. If you would like help with this, please contact me. If you would like to learn how to run the work boat let me know and we'll work something out, as always you're faithful Doc captain.
